

The Next Generation

This module gives you great ways to win your world that is the next generation of the church- our children and teens. They aren't just our future- they are our family!

How To Have A Great Bible School: (A)

It is still one of the most powerful tools for reaching the children of your community. Come and find out how to have a Bible school that will fill your church with children but not blow your budget. There will be a free Bible school kit given to one blessed attender!

Jesus Loves Me- This You Show!: (B)

In this seminar you will learn how to recruit and train teachers, develop lesson plans and to have a Children's Department that gives kids a Jesus they can love and understand.

What's Happening! (C)

There are a lot of great brand new activities that are happening on the Illinois District for our teens from camp to Radiate to so much more. Come and find out how you and your youth group can be part of What's Happening!

Everything You Ever Wanted to Know About Teens: (D)

This seminar walks each participant through developing a youth group, organizing activities, planning lessons and dealing with teen issues. If you are involved in teen ministry this seminar is must for you.

Evangelism

The mission of the Great Commission is for us to make disciples of all nations- starting right in our own neighborhood. This module gives you practical ways to bring the light and love of Jesus to our world filled with darkness and pain.

Bringing A Big God To A Small Town (E)

Our mission field is filled with small towns where our friends and family deal with big problems on a daily basis. One of our own pastors will share how God has made ministering in a small town a blessing instead of a burden.

Winning the World One By One (F)

Jesus brought the love of God to the world one person at a time and so must we. Find out how Life Transformation Groups can meet anywhere and reach anyone with the love of Christ.

The Road to Recovery (G)

The world tries to addict our friends and family to everything but the truth. Find out how you as part of the family of God can help others onto the Road to Recovery and help them become addicted to the love of God.

Stories of Recovery (H)

We live in the real world where people's lives are being devastated by real problems. Come and hear how the love of God has helped these real people find the real meaning of life and rejoice with them in the victory they have found in Jesus!

Discipleship

Want a ministry that meets people where they are and leads them to freedom in Christ? That's what discipleship is all about. This module will give you all the information you need to help your world grow in grace and truth.

Building A Disciple-Making Church (I)

It's one thing to bring in the harvest, it's another to take those sheep and turn them into shepherds. This seminar touched so many people last year that we brought it back for an encore performance! If you want to see a church of committed Christians in your church, this seminar is for you.

When My People Pray: (J)

Every great revival in history has started with a prayer meeting. This seminar will help you rediscover the power, and importance, of prayer as a family of God and as a child of the King.

You Can't Outgive God: (K)

Whether you are a church of 5 or five hundred we are robbing God if we aren't giving our tithes and offerings. This seminar shows you how to teach Dave Ramsey's principles of financial freedom and set your people free to give abundantly and cheerfully.

Setting the Captive Free: (L)

Jesus came to set the captive free and He left us to continue the ministry of reaching those who have sinned and need to be saved. This in-depth look at prison ministry here in Illinois could not only change your life, but countless others.

Praise and Worship

This module will help you to become the dynamic, Holy-Spirit filled leader that you want to be in praise and worship. These seminars will be led by members of *Leap of Faith*- a group of people with one thing in common- the desire to praise the Lord! They will help you to find the power in praise!

Let the Spirit Flow: (AA)

When we go to school we have a purpose- to learn. When we go to work we have a purpose- to make a living. When we praise the Lord we should have a purpose- to glorify God and to bring His presence to His people. This seminar will help you learn how to design a worship service with power and purpose.

The Need To Worship More Than Once A Week (BB)

Only have one building filled with a variety of people who all want to worship God in their own way? Find out how you can reach a variety of people with the message that Jesus is the only road to eternal life!

Video Worship For Free: (CC)

You don't think you have the resources to use video in praise and worship? Think again! This seminar will show you resources that are free and give you the freedom to worship the Lord in sight and sound!

The ABC's of Praise: (DD)

You want to have a praise team and don't know how to get started? This seminar starts from the beginning and ends up with your church ready to have a powerful praise team! Sit down with *Leap of Faith* as they answer all your questions about praise and worship.

Church Administration

It's the greatest job in the world- getting paid to preach the word. Then why is it also the most difficult job in the world? This module will help you in your mission to win the world.

The Importance of Being One: (EE)

There have been many changes on the Illinois District but one the thing hasn't changed- the need for us to be one! In this seminar you will not only find out how to connect with other churches but positive steps the District is taking to make it happen!

Church Insecurity: (FF)

We live in a world where even the God's sanctuary isn't safe. In this seminar a trained safety official will help you make your church not just a spiritual sanctuary, but a safe and secure place to praise the Lord.

The Power of Focus: (GG)

It is human nature (and the nature of a church) to lose its focus over the years. Hear how one pastor has led his church to refocus on our reason for being- winning our world.

The New Budget Plan: (HH)

For the first time in many years there have been radical changes to our church budget system. Our district treasurer, Bill Shotts has just returned from special training on what the new system means to the local church and he will give you all the answers you need to pay for the mission of winning the world!

Missions For Dummies

Missions happens around the world and right at our doorstep. The harvest is ripe and all that is needed is workers to bring it in. This module will help you to focus on the need to win our world and how we can fulfill the mission of the Great Commission!

Missions In Your World: (II)

The tragic truth is that the United States is now considered a mission country. You have a field ripe for harvest living right next door. This seminar will equip you to bring in the harvest that is your friends and family.

Missions Around the World: (JJ)

Missions is at the heart of our ministry yet many churches struggle to have exciting effective mission services. Get some great real life answers to your questions on how to get your church motivated about missions.

Getting Involved In Work & Witness: (KK)

You've hear the stories about people getting blessed as they went on a work and witness trip. Now learn how you can become a modern day Paul and live the Great Commission through Work and Witness.

Time With Our N.M.I. Council: (LL)

Want to know about the next Work and Witness Trip? What your district leaders have planned for 2010? Just want to get some answers? This is your chance as our district N.M.I. council sits down and spends some time with you.

Becoming A Spiritual GPS

This module is designed to give pastors and lay leaders practical ways to let people know where they are and what they are doing. In our digital world it is more important than ever to get the name of Jesus out where people are living- and watching.

Give Me A Sign! (MM)

The world spends millions of dollars to make materialism glitter. In this seminar you will learn how to make your church look like a million bucks for just a few bucks. You will learn a variety of ways to give the world a sign that the church in general, and your church in particular is still winning the world! This seminar even gives you the chance to take a sign of life home with you!

Developing A Great Church Website: (NN)

More and more people are doing their shopping on the internet- including shopping for a church. In this seminar you will learn how to develop and maintain a website on a budget. And maybe even a certificate that will pay for the initial set-up of your website!

Let the Spirit Move You: (OO)

It seems like it is part of our DNA that once we are in a church building, the only way to get out of it is the trumpet shout! This seminar leads you through one church's move from a location that was a burden to one that has been a blessing!

The New Budget Plan (PP)

This isn't a misprint- if you are a church treasurer or pastor it is so important that you learn about the new budget system we didn't want you to have to choose- choose this one!

Who Is Team Day '10 For?

YOU!!!

Team Day '10 was designed for churches on the Illinois District by people on the Illinois District. Seminars are designed especially to help churches with limited resources connect with the power of our limitless God. So whether your church is five or five hundred come on and join the team!
